BACK IN TIME EBOOKS 2019

Author: Ijae N. Benson

Release Date: Lanzamiento previsto: @@expectedReleaseDate@@

While testing the time machine Ijae had finally come to finish, she finds herself in what she soon discovers are the days of Slavery. She remembered hearing stories about this time in school and from her grandparents. She had even read a few books on the subject; however nothing would have prepared her for what she was about to experience. Not sure why or how she ended up here, she meets a young boy named Josiah, who himself is a slave. Intrigued by what she sees and what she is learning, Ijae travels back and forth between the two times, with each time being more fascinating than the last. During these trips, Ijae and Josiah begin to help and teach each other, even finding themselves attempting what appears to be the impossible.
