DAWN OF ALL EBOOKS 2019

Author: Robert Hugh Benson

Realese Date: Lanzamiento previsto: @@expectedReleaseDate@@

In a former book, called Lord of the World, I attempted to sketch the kind of developments a hundred years hence which, I thought, might reasonably be expected if the present lines of what is called modern thought were only prolonged far enough; and I was informed repeatedly that the effect of the book was exceedingly depressing and discouraging to optimistic Christians. In the present book I am attempting also in parable form not in the least to withdraw anything that I said in the former, but to follow up the other lines instead, and to sketch again in parable the kind of developments, about sixty years hence which, I think, may reasonably be expected should the opposite process begin, and ancient thought (which has stood the test of centuries, and is, in a very remarkable manner, being rediscovered by persons even more modern than modernists) be prolonged instead.
