Companion to the beloved bestselling classic *Circle of Stones*, *I Sit Listening to the Wind* invites women everywhere to tap into the powers of interiority, regain the sacred, and create communities of support — in the process reimagining and remaking the modern world. Without coming to terms and seeking balance with their masculine side, Judith Duerek says, women can never reach the full potential of their feminine side. For those seeking balance between the masculine urge to do and the feminine desire to be, Duerek's mixture of prose, poetry, and reflective questions creates a model for integration.
