PARADOXES OF CATHOLICISM EBOOKS 2019

Author: Robert Hugh Benson

Realese Date: Lanzamiento previsto: @@expectedReleaseDate@@

The book described the life of Catholicism and have attempted to find their reconciliation in the fact that the Catholic Church is at once Human and Divine. In her striving, for example, after a Divine and supernatural Peace, of which she alone possesses the secret, she resists even unto blood all human attempts to supplant this by another. As a human society, again, she avails herself freely of human opportunities and aids, of earthly and created beauty, for the setting forth of her message; yet she can survive, as can no human society, when she is deprived of her human rights and her acquired wealth.
