The History of Richard Raynal, Solitary is a historical novel by Robert Hugh Benson. It describes the life of Richard Raynal, an English solitary or hermit, whose quiet life is interrupted by a vision he interprets as a call from God to deliver a message to the king (seemingly Henry VI). Although the character of Raynal is fictitious, he bears some similarity to the real English mystic Richard Rolle. Raynal travels to London to warn the king that he will face suffering and death, and as a result, is himself imprisoned in the royal palace.
